10th Army Air and Missile Defense Command Factsheet

The 10th AAMDC serves as the U.S. Army Europe's executive agent for all theater air and missile defense operations and AMD force management; executes Command Authority over 5th Battalion, 7th Air Defense Artillery Battalion. The 10th AAMDC is prepared for any contingency as directed by its higher headquarters.

Mission accomplishment rests on the following pillars: Soldier and Family Readiness, Equipment Readiness, Training Readiness, and Combat Readiness. Each mutually supporting pillar is composed of “systems” that develop and sustain a high level of readiness.

- Strengthen strategic ties while building partnership capacity
 - Multinational Partner engagement
 - Patriot to Poland
 - European Air Defense Task Force
 - NATO Air Missile Defense
 - Partnership events
 - Sensor Management
- Conduct joint and multinational operations in support of Full Spectrum Operations
 - European Phased Adaptive Approach
- Building strong Soldiers and strong Teams
 - Strategic Communication
 - Leader Development
 - Family Readiness

The 10th AAMDC is manned, trained, and equipped to perform its Wartime and Garrison missions in support of the Commander, US Europe Command/ the Supreme Allied Command Europe and the Commander, U.S. Army Europe with competent and proficient subject matter experts soundly integrated with our joint and multinational partners in all aspects of air and missile defense operations. The 5-7 Air Defense Artillery provides command and control operations of Patriot Batteries and deploys on order. Provide air and missile defense operational and exercise planning for USAREUR and Seventh Army. Provide tactical training, certification and evaluation of subordinate PATRIOT Batteries. The 11th Missile Defense Detachment provides early warning/surveillance and tracking of intercontinental and intermediate range ballistic missiles as part of the global ballistic missile defense system.

- Conducts sustained command post exercises to validate ALL communications mediums and exercise our joint kill chain responsibilities
- Assess and aggressively improves capabilities of our formation through modernization – equip ourselves and Soldiers
- Leverage institutional, organizational, and self development to achieve core competency subject matter experts – aggressive Leadership Development Program from SGT to MAJ
- Leverages joint and multinational training events to hone skills.
- Develops sound relationships/partnerships with our sister Services and international partners; promotes understanding of capabilities and limitations
- Empowers subordinate leaders (SGT-CPT) to train Soldiers on critical functions of Soldier readiness – shoot, move, communicate, save lives.
